

Members in Attendance

- Josh Mendex (Sponsor/Advisor)
- Nathan Truong
- Felix Moss
- Annika Boyd
- Eisa Alsharifi

Agenda

- PCB Updates
- Code updates
- PCB box updates

Notes

- PCBs not in yet, delayed due to change in delivery address
- We received the PCB box and tubing, but it is not the correct box
 - We can still make it work tho
 - I'm pretty sure that it is a LBM 137 Chassis Box (LxWxH - 8" x 3" x $2\frac{3}{4}$ ")
