

## **Members in Attendance**

- Nathan Truong
- Felix Moss
- Annika Boyd
- Eisa Alsharifi

## **Agenda**

- QT PY Testing
- PCB enclosure updates
- PCB Testing

## **Notes**

- After ordering new QT PYs, eisa was able to get them to properly connect to the WiFi and transmit data to a website
  - We can now begin testing this in tandem with our PCB to transmit data values
- Date confirmed for the delivery of the fully drilled box, 5/30/2025 (Friday)
